

ELIMINATE SURPRISES

HomeSafe's Pre-Sale Inspection Program takes the surprise out of a Real Estate Transaction.

With this HomeSafe program you receive:

- 1. A home inspection at a substantial savings.*
- 2. A buyer paid consultation offer for \$100.00.*

This valuable offer includes:

- A proprietary infrared scan on the homes interior and exterior.*
- A complete ASHI compliant inspection performed by a nationally certified home inspector.*
- A comprehensive report with digital pictures to be placed in the seller's packet.*
- A flyer that describes the buyer consultation offer.*

Attention – Home Buyers

This home was inspected by

The report in the seller's packet describes the home at the time of our inspection. The inspection was performed by a Nationally Certified Inspector in accordance with American Society of Home Inspectors (ASHI) inspection standards.

As a value added service we offer the future owner an inspection consultation for \$100.00. This service covers items outlined originally and other areas of concern the buyer may have.

Call for an appointment to take advantage of this saving:
